It is hard to believe that we are already in the month of May. The year is flying by. We are enjoying the beautiful sunny days and opportunities to spend time outside practicing track and field and playing at recess. Our SLC has been busy planning activities and selling treats to build excitement throughout the entire school, and they have done a tremendous job.

We would like to give a shout out to all our families for making the effort to connect with our staff and school at Parent Teacher Interviews. We are proud of how connected we are with all our families here in Success School. We also would like to thank everyone for supporting our Growing Smiles fundraiser! Your contribution makes a huge difference in the learning opportunities that are able to be provided to our students.

We are excited to share that we are having our School Community Council AGM on Thursday, May 8 starting at 6:30pm. Come out and see the great things our Council has been up to and learn what we are all about. There will be some open positions on our Council as well for next year!

It is hard to believe there are only 8 weeks remaining in this school year but there is still a lot of learning to go. We look forward to continuing to work with you to help your children learn and grow!

Sincerely,

Your Admin Team

Carly White & Kimberlee Schlageter

ATTENDANCE MATTERS

Student absences

When children regularly miss school, they miss out on fundamental reading and math skills and the chance to build good attendance habits for the future.

We have 2 months of school left and we hope your child can be at school each and every day! We know attendance matters and students experience so much more success at school when they attend regularly. To promote excellent attendance in the last part of our year we have created the "Success Switch and Swag" attendance initiative! For the months of May and June, any student who misses 2 days or less will be entered into a draw at the end of each month! Prizes include a recess to play on a Nintendo Switch and Success School Swag! We hope this little initiative will encourage our students to wrap up the year with fantastic attendance!

A Heartfelt Thank You!

We extend our sincere gratitude for supporting our Growing Smiles Fundraiser and helping us reach our goal!

Your unwavering support for Success School has allowed us to double our sales over last year! The funds raised will be used to assist our students with various projects throughout the school year. We will be announcing the top two fundraisers at the May assembly.

There are just two remaining tasks to take care of:

1. **Pick up your purchases on May 14 before 3:30 PM.** If you have any questions, please don't hesitate to contact the school.
2. **ENJOY!** Sit back, relax and adore the flowers or plants you purchased. We hope they bring you joy throughout the spring, summer, and fall.
